Dear Mr. Startz,

Thank you for contacting the Merit Systems Protection Board (MSPB) with your question. Your request was closed and sent to you on May 19, 2025.

In your email dated and received on May 26, 2025, you attach the responsive records and the final response letter that you received from us on May 19, 2025. You also indicated that because you are an e-filer and have access to your records in e-Appeal, you no longer wish to receive your MSPB appeal case file. Because you have received the final response sent to you on May 19, 2025, and because you have access to your appeal records in e-Appeal, MSPB has satisfied your request and will take no further action.

Thank you,  
MSPB/kk

I looked in the MSPB FOIA System today and my FOIA request is now showing closed. Why?

I have received nothing but misleading emails indicating I need to do something I in fact did and have since provided proof of that. This is actively engaging in obstruction and concealing evidential documentation.

OGIS; please intervene aggressively to this matter.

Respectfully  
Sherman Startz

I have done everything asked and provided all the necessary information requested.

Why are my FOIA requests being denied

I need help please. MSPB is denying me records because I failed to prove identification. The request asked for proof where I lived when I filed my appeal and where I live now. I did everything they asked me to do and still denied.
