I sent 2 FOIA requests to the "ARMY" on March 19, one was a corrected response.

They are submissions 2013896 and 2014616. They are one FOIA request.

Another on 3/28/2025 submission 2037981

Another on 3/30/2025 submission 2048131

ARMY IMCOM PACIFIC on 4/11/2025

I did not send a FOIA request to Army IG until 4-16-2025

I consider them all separate. With all due respect, the general lack of responsiveness beginning March 19, 2025; a pattern of behavior beginning in 1/2022. This along with learning from DoD OIG that my general submissions to the Department of Army using FOIA.gov were not sent to Army OIG; therefore, I sent a separate FOIA request directly to Army OIG.

I consider all requests to be separate; however, if information requested to different places has now comingled to ARMY OIG and is appearing duplicated then please feel free to exclude it. Ideally I do not want to run the risk of the response timelines be reset please.

I hope this answers your question, if not perhaps we can discuss this on the phone. Please feel free to reach out to me if you have any time.

Respectfully

Good morning Sir,

Is this a new request or an updated request that was sent on March 19? That request was asking for expedited processing and its awaiting final review and signature of approval/disapproval. But we acknowledge receipt of your request.

Respectfully,
