MSPB Docket Number: SF-315H-22-0532-I-1

The Board has received your filing dated December 7, 2022 in which you submit an additional pleading. The Board's regulations do not provide for pleadings other than a petition for review, a cross petition for review, a response to the petition for review or cross petition for review, and a reply to a response to a petition for review. 5 C.F.R. § 1201.114(a)(5). A description of these pleadings and the time limits for filing them are set forth in the Board's regulations. 5 C.F.R. § 1201.114(a), (e). For the Board to consider a party's pleading, other than one of those set forth above, the party must describe the nature and need for the pleading. 5 C.F.R. § 1201.114(a)(5). If a party wishes to submit a pleading after the record has closed, the party must also show that the evidence was not readily available before the record closed. 5 C.F.R. § 1201.114(a)(5), (k).

If you filed your additional pleading by non-electronic means, such as fax or U.S. mail, it is being returned to you at this time via U.S. mail. If you submitted your additional pleading through e-Appeal, it has been deleted from the e-Appeal Repository and will be returned to you via separate email. You may submit a motion, as described above, that requests leave to file an additional pleading. Please do not include your additional pleading with your motion. If you choose to submit a motion, you will be informed at a later date of the Board's decision to grant or deny your request. If the Board grants your request, you will be given 10 days in which to submit your additional pleading to the Board. For more information about the Board's petition for review process, please review the Board's regulations at 5 C.F.R. § 1201.114 - 1201.120.
