Dear FOIA Officer,

I am writing to follow up on the status of my FOIA request regarding materials tied to DoD OIG Case No. 20230213-083550, which was formally referred to the Department of the Army Office of Inspector General.

Your office previously acknowledged receipt and indicated that the request was pending “final review/approval.” However, it was unclear whether that referred to expedited review determination or release authorization. For clarity and transparency, I am respectfully requesting information on Submissions 2014616 and 2013896 on 3-19-2025 and Submission2037981 on 3-28-2025 and Submission 2048131 on 3-30-2025 and Submission 2048131 on 4-11-2025 Army IG on 4-16-2025

1. A status update on the processing of my request;
2. A determination as to whether any responsive documents have been located;
3. A timeline for release or a formal response;
4. Confirmation of whether the delay is due to content review or procedural hold.

This request concerns matters of high public interest and is tied to pending federal litigation. Given the time-sensitive nature of the records, I ask that this request be finalized promptly. If no substantive action has occurred, I am prepared to file an appeal or seek assistance from OGIS.

Thank you for your assistance.

Sincerely,

Sherman S. Startz, Jr.

Good morning Sir,

Is this a new request or an updated request that was sent on March 19? That request was asking for expedited processing and its awaiting final review and signature of approval/disapproval. But we acknowledge receipt of your request.

Respectfully,

Records Release office
